PHP LARAVEL FULL STACK DEVELOPER
COVERING LETTER

Dear Hiring Manager,

As a highly experienced Full Stack Developer with 15+ years of background in creating innovative software solutions, I am excited to apply for the PHP Laravel Full Stack Developer position at your company. I have expertise in PHP, Laravel, MySQL/MariaDB, PostgreSQL, SQLite, and AWS, and actively pursuing online training for Python and React to enhance my knowledge and proficiency in these essential technologies.

My experience in end-to-end project management, coordination of cross-functional teams, and achieving timely project completion within budgetary constraints make me a competent and hands-on leader. I have worked on various web development projects and have demonstrated exceptional analytical and problem-solving skills, making me a valuable addition to your team.

Thank you for your time and considering my application. I look forward to hearing back from you soon.

Sincerely,

Praveen Kumar
